

GRANTLEY HALL

WEDDING PHOTOSHOOT POLICY

At Grantley Hall, we are dedicated to providing each couple with an exclusive and unforgettable wedding experience. To maintain this, we adhere to the following wedding photography guidelines:

1. EXCLUSIVE WEDDINGS

We only host one wedding per day, ensuring that each couple enjoys their special moment without overlap.

2. WEDDING STAYS

Brides staying at the hotel before or after their wedding which has been held at an alternative venue, may only arrive or depart in wedding attire if no other wedding is taking place during their stay.

3. PRIVATE DINING & FACILITIES USAGE

Couples celebrating pre or post-wedding occasions at our hotel (such as private dining) are welcome to wear their wedding attire, provided no other weddings are scheduled. However, only informal photography by guests within the booked private space or bedroom is permitted - no formal photoshoots, external photography, or photography in the hotel grounds is allowed.

This policy ensures exclusivity for our wedding couples whilst maintaining an exceptional experience for those celebrating their special day with us. We appreciate your understanding.
