# THE MACALLAN

The Macallan Distillery, which sits on The Easter Elchies Estate in central Speyside, was identified by local farmer Alexander Reid as the perfect spiritual home to realise his vision of producing a malt whisky of such high quality that it would be revered around the world. This attention to detail has been observed over generations.

From the curiously small stills that create the rich and luxurious spirit, to the distillers capturing only the finest cut of the spirit run, and the exceptional sherry seasoned oak casks which are nurtured from tiny acorns to great oak trees, it is clear to see the care that is bestowed upon the whisky.
