PRICING

The experience price is £2,100 for up to 10 guests and includes arrival refreshments and a two-course lunch for all guests.

Bespoke ½ day and smaller sessions can be tailored to suit your requirements.

Bookings must be made a minimum of 14 days in advance.

As part of this fully immersive motorsport experience, guests will begin the day by testing their reaction speeds against elite athletes on our BATAK reaction wall.

Race on a simulated world-famous racetrack, with a wide choice of different cars in our simulator room, to experience the ultimate test of mental agility and physical fitness!

Whether you are a novice, professional or simply a motorsport enthusiast, the Grantley Motorsport Experience allows guests to test and enhance their driving skills with individual coaching sessions on our professional racing simulator, before competing against each other for Fastest Lap honours!
