## TEA SELECTION

### ENGLISH BREAKFAST

Our own unique blend of 17 Assam teas. Specially blended for us in Kolkata, India.

### ENGLISH BREAKFAST DECAFFENATED

Very similar in flavour to our classic breakfast blend, however the caffeine has been stripped from the leaf before processing occurs.

### EARL GREY

A classic blend of Earl Grey, as originally intended using a base of Chinese black tea grown just outside of Simao city, Yunnan Province, China.

### GOPALDHARA 1ST FLUSH DARJEELING WHITE

A 1st flush tea produced on the Gopaldhara tea estate, Darjeeling, India. Because the tea is plucked after the cold winter months, the tea buds are full of flavour.

### WHITE POMEGRANATE

A blend of white tea with pomegranate arils, lemongrass and dragon fruit pieces, producing sweet and delicate floral notes from its fruit content.

### PEPPERMINT

A Serbian whole leaf peppermint. The Serbian climate is excellent for peppermint production, with the plant growing abundantly in some areas.

### LEMONGRASS & GINGER

A blend of cut lemongrass and ginger pieces. This is a 100% caffeine free infusion.

### CLOUD CATCHER

A blend of cherry, sour cherry, kiwi, coconut and apple pieces. This infusion produces an exceptionally fruity flavoured brew, with sweet notes throughout.

### KENILWORTH CEYLON

A high grade Orange Pekoe tea from the world-famous Kenilworth Estate in Sri Lanka. It has a malty flavour with subtle hints of spice and eucalyptus.

### PINHEAD GUNPOWDER

Produced by rolling green tea into small round pellets. Its name comes from its distinctive appearance, which is reminiscent of 19th century gunpowder.

### JASMINE YIN HAO

A top grade jasmine green tea, grown in Fujian Province, China. Its quality is notable in the white tips present in the tea leaves.

### ORANGE BLOSSOM OOLONG

A flavoured Taiwanese oolong tea, blended with orange peel and natural orange oil. A bold brewing cup with delicate citrus notes from the orange content.
