TEA SELECTION

ENGLISH BREAKFAST

Our own unique blend of 17 Assam teas. Specially blended for us in Kolkata, India.

ENGLISH BREAKFAST DECAFFENATED

Very similar in flavour to our classic breakfast blend, however the caffeine has been stripped from the leaf before processing occurs.

EARL GREY

A classic blend of Earl Grey, as originally intended using a base of Chinese black tea grown just outside of Simao city, Yunnan Province, China.

GOPALDHARA 1ST FLUSH DARJEELING WHITE

A 1st flush tea produced on the Gopaldhara tea estate, Darjeeling, India. Because the tea is plucked after the cold winter months, the tea buds are full of flavour.

WHITE POMEGRANATE

A blend of white tea with pomegranate arils, lemongrass and dragon fruit pieces, producing sweet and delicate floral notes from its fruit content.

PEPPERMINT

A Serbian whole leaf peppermint. The Serbian climate is excellent for peppermint production, with the plant growing abundantly in some areas.

LEMONGRASS & GINGER

A blend of cut lemongrass and ginger pieces. This is a 100% caffeine free infusion.

CLOUD CATCHER

A blend of cherry, sour cherry, kiwi, coconut and apple pieces. This infusion produces an exceptionally fruity flavoured brew, with sweet notes throughout.

KENILWORTH CEYLON

A high grade Orange Pekoe tea from the world-famous Kenilworth Estate in Sri Lanka. It has a malty flavour with subtle hints of spice and eucalyptus.

PINHEAD GUNPOWDER

Produced by rolling green tea into small round pellets. Its name comes from its distinctive appearance, which is reminiscent of 19th century gunpowder.

JASMINE YIN HAO

A top grade jasmine green tea, grown in Fujian Province, China. Its quality is notable in the white tips present in the tea leaves.

ORANGE BLOSSOM OOLONG

A flavoured Taiwanese oolong tea, blended with orange peel and natural orange oil. A bold brewing cup with delicate citrus notes from the orange content.

COFFEE SELECTION

All coffees are available as decaffeinated, please ask a member of our team for more information.
