DAIZU | £23.50

In celebration of the 100th year anniversary of House of Suntory, EightyEight is proud to introduce the 'Daizu' cocktail.

Created using Hibiki Japanese Harmony, 'Daizu' translates to 'soybean' In Japanese which links to the miso syrup element of the drink with the playfully sweet and salty miso and honey syrup. To mark the 100-year anniversary, the cocktail creates a fusion between England and Japan, with the Yorkshire honey and Japanese miso.
